

Creative Dog Works is thrilled to announce!

Dianne Morey's

Tricks 4 Agility

Stunts & Trickery for the agility dog or anyone else who wants to bring a little more fun & fitness into their training relationship.

This workshop focuses on tricks that will help your dog's body awareness, core strength, general fitness, confidence and problem solving skill set. The exercises are broken down into body part specific tricks that are not only super fun for you and your dog to work on but incredibly useful for any sport dog team.

While this class is dog-sport centric it's also fun and a great opportunity to teach your dog some fancy stunts to show off with. Dogs of any age or training level are welcome as long as the handler has prior training experience.

We will work from the beginning level for each trick and then explore options for taking it up a level or 20 and then on to chaining behaviors together so you can all develop your own Stunt Dog performance.
