

Dianne Morey, CTC (Certified in Training & Counseling)

Dianne is an honors graduate of the SFSPCA Academy For Dog Trainers, a professional member of The Association of Pet Dog Trainers, and an AKC Canine Good Citizen Evaluator. A girl & her dog is, was, and will always be the perfect way to describe Dianne. It all started with her first dog Charlie, a border collie. Like any great border collie Charlie taught Dianne about dog training and exploring the world. They made up elaborate live performances to earn tips from the summer tourists who came to visit the small fishing village where they lived. He was her first friend.

Dianne has been working with dogs professionally since 1999. She believes in pursuing a perpetually continuing education and has studied and apprenticed with a wide range of trainers.

Some of her professional dog training work includes:

- private training for the family dog
- behavior modification for fearful and aggressive dogs
- service and therapy dog training
- group class instruction
- shelter dog evaluations specialist
- She is also a recommended assessment expert for San Francisco's Viscous & Dangerous Dog Court.

With her personal dogs Dianne has participated in therapy dog programs, Search & Rescue training as a k-9 area search team, stunt performances and a number of dog sports.

Philosophy:

As a dog trainer, Dianne believes in positive motivational rewards based method an approach centered in a scientifically based approach. She believes that your relationship with your dog is what matters most. Training should be about fun, fairness and encouraging your dog to problem solve.
